**As a result of participating in this educational workshop...**

1.	I have an increased awareness of population aging from four different perspectives: Global, national, state (Wisconsin), and county. Comments:	3	2	1
2.	I know the projected percentage of persons age 65+ in my county for the year 2035. Comments:	3	2	1
3.	I am able to identify impacts of population aging in two or more areas of community life (housing, transportation, etc.) Comments:	3	2	1
4.	I am aware of at least one survey or checklist that can be used to assess a community's "aging-readiness". Comments:	3	2	1
5.	I can provide at least one example of community or county-level planning that represents an effort to become more "aging-friendly". Comments:	3	2	1
6.	I can list the qualities or attributes of "aging-friendly" communities. Comments:	3	2	1
7.	I am able to identify at least one resource that a community could use in striving to become more aging-friendly. Comments:	3	2	1
8.	The overall presentation helped me gain practical information and/or skills that I can use to facilitate efforts intended to make my community/county more "aging-friendly". Comments:	3	2	1
9.	I plan to do something to make my community/county more prepared for the coming "age wave". Comments:	3	2	1
10.	The presenters were prepared, knowledgeable, and helpful. Comments:	3	2	1
