EDA University Center Updates

Each University Center is invited to prepare two short presentations. On day one of the showcase, each University Center will have a 10-minute time slot in which to present an update of their current work, followed by a brief 5-minute question and answer period. On day two of the showcase, each University Center will have a 7-minute time slot in which to briefly present their plans for the upcoming year, and answer the question, “What would your University Center do if it had additional resources?”

In the interest of easing transitions between speakers, and remaining on schedule, each University Center is asked to send a copy of their PowerPoint slides for both presentations by June 18 to Laurie.lindquist@ces.uwex.edu. A limit of no more than 12 slides per presentation is suggested. Slides will be uploaded in advance of the showcase for the ease of presenters.

Call for Discussion Leaders & Topic

We invite you to submit a topic for round robin table discussions with our fellow attendees. We welcome suggestions involving the economic climate, challenges or opportunities in your state or the Chicago EDA region, along with other topics of interest that are relevant to our missions. Suggestions for topics can be emailed by May 20 to Laurie.lindquist@ces.uwex.edu. Discussion leaders will be notified of their selection by June 1.
