UW Extension Community Vitality & Placemaking Team

BOOTS

Routes

- o Volunteer Enthusiasts: Ride potential routes and confirm/select best routes. Develop a map (paper & electronic) of 7-10 Recreational Bike Rides.

Health and Wellness

- o Hospital/Partners: Organize a "fitness challenge".

BOOTS

Environment and Storm Water

- o High School Biology: Construct a rain garden near Roll Lite Site.
- o Village Maintenance: Relandscape shore of Memory Lake with native vegetation and low maintenance turf.

* Girl Scouts too!

Vision-Memory Lake

- o Boy Scouts/Eagle Scouts: Identify walking route around Memory Lake and construct Information Kiosk.

BOOTS

Marshland Visitor Center

- o Brainstorm alternatives and initiate action.
