**Joint
Council of
Extension
Professionals**

A partnership of Extension professional associations to promote communication, cooperation, and professionalism among all Extension Educators.

Wisconsin

Joint Council of Extension Professionals

Vision:

To improve and strengthen the avenues of communication between Extension professionals, faculty and administrators; and to foster cooperation among Extension professional association members.

Mission:

To provide a unified voice which addresses the associations' issues and concerns, and creates opportunities for interdisciplinary teamwork and networking.

Member Organizations

Epsilon Sigma Phi

ESP is dedicated to fostering standards of excellence in the Extension system and developing the Extension profession and the professional, which includes faculty and academic staff from all program areas, presently employed and retired.

Wisconsin Association of County

Agricultural Agents

WACAA is organized to encourage excellence, improve effectiveness, provide professional improvement opportunities, recognize achievements and offer a medium for exchange of programs.

Wisconsin Association of Extension 4-H Youth Development Professionals

WAE4-HYDP fosters the well-being of the members and the integrity of WAE4-HYDP. The Association focuses on the blend of our personal and professional growth and personal enrichment.

Wisconsin Extension Association of Family & Consumer Sciences

WEAFCS promotes professional growth and development of professionals by recognizing leadership and achievement, awarding financial support for professional study, and exchanging effective methodologies used in Extension programs.

Wisconsin Extension Environmental & Community Development Association

WEECDA works to improve community development efforts of UWEX professionals, which is broadly interpreted to include natural resources, economic development, and local government concerns.
