UNIVERSITY OF WISCONSIN-MADISON

Best practices for creating bilingual flyers

- Create a single-page document
- Limit text to essential details (i.e. Who, What, Where, When, and Why)
- Use a two-column layout to present languages side-by-side
- Incorporate an inclusive banner photo that unifies the document
- List a specific point person (preferably bilingual) for community contacts

A.

Los Ua Teb Zaub
Cog Kom Tau ib Lub Zej Zog Khov

Let's Garden
Growing a Stronger Community
